Trials Club of Canberra 2011 Presentation Night

50 members and guests, a slightly lower number than last year, for all sorts of reasons, none the less had a tremendous evening at the Chisholm Community Centre on Friday November 18th.

Thanks go to Nathan Guinness' efforts at co-ordinating the evening, and especially to all of you who helped with the cleaning up. The CCC lady was absolutely delighted with the condition of the venue.

Listed below are all the trophy winners from the 2011 Club Pointscore.

Basically, if you competed in at least two rounds, you got a trophy.

Presidents Trophy for 2011

Awarded to **Giselle Kermeen**, in recognition of her input to scoring at both Open and Club events, and her effort in attending an Officials Seminar towards attaining her Race Secretaries Licence.

Tim Seary Trophy for 2011

Awarded to **Nathan Guinness**, for his inspirational input to our Club.

Many of you will be aware of Nathan's input at Club Days, and his (and Teagan's) assistance with Observing at the Murring Open Trial.

Perhaps his greatest contribution was in finding out about the ACT Government Grants scheme, and then convincing President David Wicks and Secretary David Ault to submit an application.

As a result of these efforts we are now well on the way to having our own Strategic Plan being put together with the assistance of Soul Revival's Sue Marriage, who's professional services are paid for by the grant.

Observers and Officials Pointscore

Secretary David Ault compiled these pointscores on all types of input and assistance, not only at TCC Open Trials and Club Trials, but also where our members have contributed to other Clubs events as well.

In view of these combined efforts, Complimentary Club memberships for 2012 were awarded to

Dawn Bartlett and David Ault

Dave Bingley and family

David Waller

Mark Walker

Nathan Guinness and family

Annette Shipley and family

Mick Rummery and family.

Bob McGlinchy

Bob Tindall

In addition, David nominated the Bennett family as well. As we are Life Members, I didn't mention this at the Presentation evening. However I would like to acknowledge the efforts put in by Bryan Bennett, who Observed both days at Murring, acted as assistant Race Secretary and Spare Observer at the Womens Cup, and attended an Officials Seminar to obtain his Officials Licence.

2012 Sherco Womens Cup

TCC has taken the very big step of running the 2012 Sherco Womens Cup as a two day Easter Trial on Saturday April 7th and Sunday April 8th.

Russell Beckett has again made his popular Captains Flat venue available.

Wendy Bennett has secured the assistance of her Tuggeranong Australian Rules Football colleagues to do the catering.

I've posted this item on Trials Australia and the TCC Facebook page, and also contacted 41 potential Women competitors across Australia and New Zealand.

Bev and myself were impressed with some aspects of the way the South Aussies ran their Womens Cup during Trials Week 2011. To this end we are going to run separate classes for the women competitors, and the rest of us will complete in support classes.

All we need now is ten Observers each day. Will you be one of them, or more importantly, can you provide one of them.

Trials Club of Canberra Officials

Secretary David Ault has asked that we publically acknowledge, and thank, those TCC members who have made the effort to attend MNSW Licenced Officials seminars during 2011, in order to meet the requirements of a new or renewing MA Officials Licence.

These are the people that will allow our Club to promote Club and Open events during 2012.

Working Bee and Practice Day at Rivendell

Saturday 10th and Sunday 11th December 2011

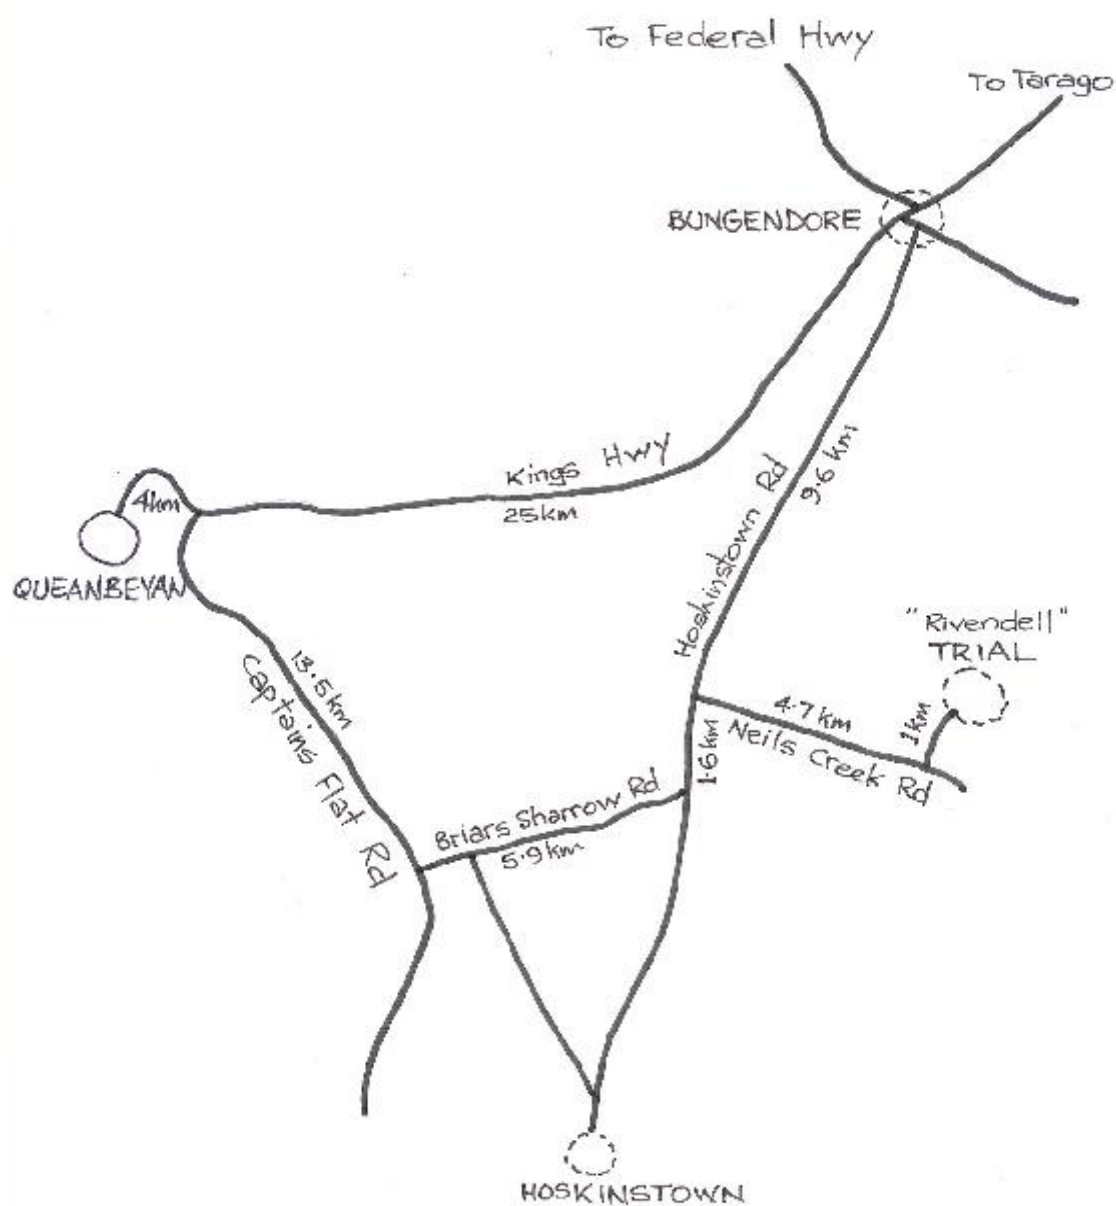

Thanks to Mark Walker who stepped up as the co-ordinator, TCC will have a two day Practice Event at Mick Beckett's "Rivendell" property on Saturday 10th December and Sunday 11th December.

Help with, and learn about, section clearing and setting on Saturday.

Practice on the sections on Sunday, from 10am.

David Ault will be the nominated Level 2 Licenced Official. You must be a TCC member to ride at this Permitted event. New members will be able to sign up on the weekend.

Please contact Mark on 0419119182 with any enquiries.

SPEA FIM TRIAL World Championship

Maldon, Victoria – May 26th and 27th 2012

For the first time in the history of World Trials Championships, Australia has been granted the right to host two rounds.

The event will be held on the large granite outcrops on the western edge of Mt Tarrengower located adjacent to the historic village of Maldon in Central Victoria.

Would you like to be involved? The event needs groups of Observers, and I've been nominated to act as the ACT / NSW contact for interested volunteers.

There will be an Observers briefing on the Friday prior to the event at the Maldon site. Once we have all the names and email addresses of the observers, a copy of the FIM rules and penalties will be sent out to them.

Also in appreciation of their valuable input to the event they will receive an event shirt and cap as well as keeping their official observers bib.

I have a spreadsheet for registering potential observers and if you have a group of four who wish to work together then please let me know. Keep in mind that we require 3 observers and one marker per section. The markers responsibility will be to mark the riders card and record their score on a running sheet and possibly write the score up on a white board at the section.

You can volunteer for one day, and spectate on the other if you wish.

Please contact me on 0406 375 676, or trialben@hotmail.com.au for further details.

Event co-ordinators are Col Scott 0408 006 603 and Gary Grealy 0413 418 525.
